

WEB102 Prework

Instructions

Welcome to the Offline Version of the CodePath WEB102 Prework! ( [Link to Online Version](#))

The challenges are identical in both versions. However, for the OFFLINE version, you will need to enter each Secret Key as a password to open the next PDF.

Important: If you're taking this course For-Credit at your university, this prework project is **optional**.

Ready to begin your adventure? Open "**Challenge #0 – CodePath WEB102 Prework.pdf**" by entering the Secret Key **instructions** (all lowercase)
